

# If I Ever Get You Back

Morgan Wallen

[Chorus]

If I ever get you back I'ma treat you like a queen  
Make a livin' lovin' you, a lot of kissin' in between  
I'll be looking for a reason just to please you  
That's the world that you'll be living in  
Girl, if I ever get you back  
I ain't gon' ever have to get you back again

[Verse 1]

I see you dancing with Mr. Handsome  
He looks like he's a real romancer  
I'm just hoping and I'm praying that one day I hear you saying  
That you gon' give me that second chance and take me back  
And we gon' roll through life in a Cadillac

[Chorus]

If I ever get you back I'ma treat you like a queen  
Make a livin' lovin' you, a lot of kissin' in between  
I'll be looking for a reason just to please you  
That's the world that you'll be living in  
Girl, if I ever get you back  
I ain't gon' ever have to get you back again  
No I ain't

[Interlude]

[Verse 2]

I'll buy you flowers, talk for hours  
Write your name up on the water tower  
Keep you covered up in diamonds  
Make your smile light up just like 'em  
I'm gon' "Yes ma'am" you "No ma'am" you, open up your door  
And I'ma give you all my heart and a whole lot more

[Chorus]

If I ever get you back I'ma treat you like a queen  
Make a livin' lovin' you, a lot of kissin' in between  
I'll be looking for a reason just to please you  
That's the world that you'll be living in  
Girl, if I ever get you back

I ain't gon' ever have to get you back again  
Not this time

[Bridge]

I'm gonna "Yes ma'am" you "No ma'am" you, open up your door  
And I'ma give you all my heart and a whole lot more

[Chorus]

If I ever get you back I'ma treat you like a queen  
Make a livin' lovin' you, a lot of kissin' in between  
I'll be looking for a reason just to please you  
That's the world that you'll be living in  
Girl, if I ever get you back  
I ain't gon' ever have to get you back again  
Not this time
