

# Control

## Halsey

They send me away to find them a fortune  
A chest filled with diamonds and gold  
The house was awake  
With shadows and monsters  
The hallways they echoed and groaned And I sat alone, in bed till the morning  
And crying "they're coming for me"  
And I tried to hold these secrets inside me  
My mind's like a deadly disease I'm bigger than my body  
I'm colder than this home  
I'm meaner than my demons  
I'm bigger than these bones  
And all the kids cried out  
"Please, stop, you're scaring me"  
I can't help this awful energy  
Goddamn right, you should be scared of me  
Who is in control? I paced around for hours, I'm empty  
I jumped at the slightest of sounds  
And I couldn't stand the person inside me  
I turned all the mirrors around I'm bigger than my body  
I'm colder than this home  
I'm meaner than my demons  
I'm bigger than these bones And all the kids cried out  
"Please, stop, you're scaring me"  
I can't help this awful energy  
Goddamn right, you should be scared of me  
Who is in control?  
I'm well acquainted  
With villains that live in my head  
They beg me to write them  
So they'll never die when I'm dead And I've grown familiar  
With villains that live in my head  
They beg me to write them  
So I'll never die when I'm dead I'm bigger than my body  
I'm colder than this home  
I'm meaner than my demons  
I'm bigger than these bones And all the kids cried out  
"Please, stop, you're scaring me"  
I can't help this awful energy  
Goddamn right, you should be scared of me  
Who is in control?  
And all the kids cried out  
"Please, stop, you're scaring me"

I can't help this awful energy  
Goddamn right, you should be scared of me  
Who is in control?
