

G Major (EP Version)

Guster

Everyone here's in trouble
The man with the megaphone
Smoke and mirrors and crystal balls and red alerts and all because
Of the king who hides behind the pawns
I can see what's really going on
I can see what's really going on Everyone here's a bubble
Merrily floating on
Manicured suburban lawns and patriotic country songs
Pledge allegiance, sing along
I can see what's really going on
I can see what's really going on
Everyone here's in trouble
Angels abandon guard
History is cyclical
Crusaders and the biblical
Light the torches bang the gongs
I can see what's really going on
I can see what's really going on Na na na na-na
Na na na na-na
Na na, na na
Na na, na na
Na na na na-na
Na na na na-na
Na na, na na
Na na, na na
