

# Unhinged

Nick Jonas

Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh Told your mama and your brother you won't compromise  
Say my endless indecision keeps you up at night  
Talkin' bout another man that you've been talkin' to  
Just to see if I'll get mad and I'll fight for you  
But that's not me And right now my head isn't screwed on right  
And I can't decide what I want Every sway just breaks me a little  
And I know you can't take this back and forth  
It's not really safe for you in the middle  
When you close that door, you'll see  
It's unhinged, it's just like me  
Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh You're not the first to try and diagnose what's wrong with me  
I'll be the first to admit that I'm hard to please  
I'm afraid of finding out that I might be right for you  
Cause it's one step closer to life with you  
And that's not me, yeah And right now my head isn't screwed on right  
And I can't decide what I want Every sway just breaks me a little  
And I know you can't take this back and forth  
It's not really safe for you in the middle  
When you close that door, you'll see  
It's unhinged, it's just like me I ain't scared of my emotion, but I'm afraid to let you see  
Cause I know if I stay open, I won't be what you need  
And when you close that door, you'll see  
It's unhinged, it's just like me  
If you close that door, you'll see  
You're unhinged, you're just like me Ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh
