

# I'm So Sorry

## Imagine Dragons

About time for anyone telling you off for all your deeds  
No sign the roaring thunder stopped in cold to read  
No time  
Get mine and make no excuses waste of precious breath  
No time The sun shines on everyone,  
Everyone love yourself to death  
So you gotta fire up  
You gotta let go  
You'll never be loved till you've made your own,  
You gotta face up  
you gotta get yours  
you never know the top till you get too low  
A son of a stepfather  
A son of a  
I'm so sorry  
A son of a stepfather  
A son of a  
I'm so sorry No lies and no deceiving man is what he loves  
I keep tryin' to conceive that death is from above  
No time  
get mine and make no excuses waste of precious breath  
No time  
The sun shines on everyone, everyone love yourself to death So you gotta fire up  
You gotta let go  
You'll never be loved till you've made your own,  
You gotta face up  
You gotta get yours  
You never know the top till you get too low  
A son of a stepfather  
A son of a  
I'm so sorry  
A son of a stepfather  
A son of a  
I'm so sorry Life isn't always what you think it'd be  
Turn your head for one second and the tables turn  
And I know, I know that I did you wrong  
But will you trust me when I say that I'll make it up to you somehow, somehow So you gotta  
fire up  
You gotta let go  
You'll never be loved till you've made your own,  
You gotta face up  
You gotta get yours

You never know the top till you get too low A son of a stepfather

A son of a

I'm so sorry

A son of a stepfather

A son of a

I'm so sorry I'm so sorry

I'm so sorry

I'm so sorry
