Time Machine

Ingrid Michaelson

You lit the fire, then drank the water
You send that one, let me standing all alone.
We wrote a story, we turned the pages
You changed the end like everybody said you wouldI should have seen it coming
It should have sent me running
I swear I could be loving you.If I had a time machine
And if life was a movie scene
I'd rewind, and I'd tell me, "run! "
We were never meant to be
So if I had a time machine
I'd go there, and I'd tell me, "run, run! "
I got your letter, I got your words
I stacked them higher,
I need more than little boys!
Your broken choice don't mean a thing
You made that, boy
Good luck falling back...I should have seen it coming
It should have sent me running
That's what I get for loving you.If I had a time machine
And if life was a movie scene
I'd rewind, and I'd tell me, "run! "
We were never meant to be
So if I had a time machine
I'd go there, and I'd tell me, "run, run! "
Oh, your love it got me higher
Then it drove me off the world
But the higher up you go, the further you will fall!
Oh, oh, oh
Oh, oh, ohIf I had a time machine
And if life was a movie scene
I'd rewind, and I'd tell me, "run! "
We were never meant to be
So if I had a time machine
I'd go there, and I'd tell me, "run, run! "
If I had a time machine
And if life was a movie scene
I'd rewind, and I'd tell me, "run! "
We were never meant to be
So if I had a time machine
I'd go there, and I'd tell me, "run, run! "
