

Runaway

Bon Jovi

On the streets where you live
girls talk about their social lives.
They're made of lipstick, plastic and paint
a touch of sable in their eyes.(All your life) all your life all you've asked
is when's your daddy gonna talk to you.
But you were living in another world
tryin' to get your message through.No one heard a single word you said.
They should have seen it in your eyes
What was going around your head.Ooh, she's a little runaway.
Daddy's girl learned fast
All those things he couldn't say.
Ooh, she's a little runaway.
Different line every night
guaranteed to blow your mind
I see you out on the streets
calling for a wild time.So you sit home alone
'cause there's nothing left that you can do.
There's only pictures hung in the shadows left there to look at you.You know she likes the
lights at nights
on the neon Broadway signs.
She don't really mind
it's only love she hoped to find.Ooh, she's a little runaway.
Daddy's girl learned fast
All those things he couldn't say.
Ooh, she's a little runaway.No one heard a single word you said.
They should have seen it in your eyes
What was going around your head.
Ooh, she's a little runaway.
Daddy's girl learned fast
All those things he couldn't say.Ooh, she's a little runaway.
Daddy's girl learned fast
Now she works the night away.Ooh, she's a little runaway.
Daddy's girl learned fast
All those things he couldn't say.Ooh, she's a little runaway.
Daddy's girl learned fast
Now she works the night away.
