## **Runaway**

## **Bon Jovi**

On the streets where you live girls talk about their social lives. They're made of lipstick, plastic and paint a touch of sable in their eyes.(All your life) all your life all you've asked is when's your daddy gonna talk to you. But you were living in another world tryin' to get your message through.No one heard a single word you said. They should have seen it in your eyes What was going around your head.Ooh, she's a little runaway. Daddy's girl learned fast All those things he couldn't say. Ooh, she's a little runaway. Different line every night guaranteed to blow your mind I see you out on the streets calling for a wild time. So you sit home alone 'cause there's nothing left that you can do. There's only pictures hung in the shadows left there to look at you. You know she likes the lights at nights on the neon Broadway signs. She don't really mind it's only love she hoped to find.Ooh, she's a little runaway. Daddy's girl learned fast All those things he couldn't say. Ooh, she's a little runaway.No one heard a single word you said. They should have seen it in your eyes What was going around your head. Ooh, she's a little runaway. Daddy's girl learned fast All those things he couldn't say.Ooh, she's a little runaway. Daddy's girl learned fast Now she works the night away.Ooh, she's a little runaway. Daddy's girl learned fast All those things he couldn't say.Ooh, she's a little runaway. Daddy's girl learned fast Now she works the night away. Song Discussions is protected by U.S. Patent 9401941.
