

Leave Me Alone (feat. George Shelley)

[Sam Feldt](#)

Heart is racing

Things are changing

You don't gotta wait by my door

Shit I'm facing

Can't erase it

You know that I've been here before

You can't decide this for me

We gotta slow down our speed

I don't know why I can't let it go

Now you're here crying on me

Got satisfied on your knees

Too much that I just have to let go

That's why you gotta leave me alone

Leave me alone

I wish you hadn't hurt me

Because I'm not the only one who bleeds

Need to work it out on my own

That's why you gotta leave me alone

That's why you gotta leave me alone

Leave me alone

Leave me alone

This is for you

Cause it's the truth

I don't want me weighing you down

This isn't easy

No one for leaving

But it's the only solution I've found

You can't decide this for me

We gotta slow down our speed

I don't know why I can't let it go

Now you're here crying on me

Got satisfied on your knees

Too much that I just have to let go

That's why you gotta leave me alone

Leave me alone

I wish you hadn't hurt me

Because I'm not the only one who bleeds

Need to work it out on my own

That's why you gotta leave me alone

Leave me alone

Leave me alone
