

A Minute to Breathe

Trent Reznor & Atticus Ross

we wait
we pray
for the rain
for the rain
for a rain to wash away
we try
deny to believe
to believe
we can't believe in anything
I don't want to say goodbye
stars falling from the sky
we will all be judged
by what we leave behind
I don't want to say goodbye
hey, too late to look
you in the eye
in your eye
in your eye to realize
we find in time we're the same
we're the same
all to blame
I don't want to say goodbye
stars falling from the sky
we will all be judged
by what we leave behind
behind
I don't want to say goodbye
na na na na na na
na na na na
I just need a minute to breathe
I just need a minute to breathe
I just need a minute to breathe
I just need...
...a minute to breathe
oh
