

53 Sundays

Ebenezer

I ain't been to church in about 53 Sundays, nigga
I'm doing road
I ain't been to church in about 53 Sundays, nigga
I'm doing road
Mommy still prays for me (oh lord)
Still pray for me
'Cause I'm doing road
I ain't been to church in about 53 Sundays, nigga You know how the church go
This the Church's Chicken,
wicked with the church flow (oh you do that)
Gotta crawl before you walk, bro (yeah)
Running wild in the city with my church clothes (yes)
White girls in the fur coats (yeah)
They party from the face but they snort though (oh, wait a second)
Saving hoes never work though
They don't get too attached they got
work, bro (we we we yeah we we yeah)
Pass the collection plate,
I'm trying to make it to heaven (I'm trying to make it baby)
Dirty money,
I'm just trying to make it clean
while these preachers teach a lesson (wow)
Tell me what they teach
You could blow smoke, snort coke,
we could even bang a weapon (tu tu tu)
Just go church in the morning, church in the morning (hallelujah man) I ain't been to church in
about 53 Sundays, nigga
I'm doing road
I ain't been to church in about 53 Sundays, nigga
I'm doing road
Mommy still prays for me (oh lord)
Still pray for me
'Cause I'm doing wrong
I ain't been to church in about 53 Sundays, nigga
360 houses, oh, how the pastor drive (wait a minute)
Tell her, spread the legs,
catch the holy ghost, yeah, I seen the past drive (yeah)
I ain't shit but talking too much not the past drive (yeah)
Just define I ain't snitching we're from that side (yeah)
We don't talk to the feds when they bark outside (yeah)
Money, sex, drugs,
that's in the sacrifice umm yeah (we we yeah we yeah) Pass the collection plate,

I'm trying to make it to heaven (I'm trying to make it baby)
 Dirty money,
 I'm just trying to make it clean
 while these preachers teach a lesson (wow)
 You could blow smoke, snort coke, shoot ho's
 we could even bang a weapon (tu tu tu)
Just go church in the morning, church in the morning (hallelujah man)I ain't been to church in
 about 53 Sundays, nigga
 I'm doing road
I ain't been to church in about 53 Sundays, nigga
 I'm doing road
 Mommy still prays for me (oh lord)
 Still pray for me
 'Cause I'm doing road
I ain't been to church in about 53 Sundays, niggaI ain't been to church in about 53 Sundays,
 nigga
 I'm doing road
I ain't been to church in about 53 Sundays, nigga
 I'm doing road
 Mommy still prays for me (oh lord)
 Still pray for me
 'Cause I'm doing road
I ain't been to church in about 53 Sundays, nigga
