

Booty Killah (feat. The Reef)

Elliphant

I'll give you tender and fun
A natural and high
He ain't talkin'. What?
Give me wings, man
And bring me what you ...
And when you think that
I never bother Tonight I feel like ...I'm higher in every wind
Booty Killah I am, yeah
Botty Killah
Before you get to run me
Ima sketch and send me on
Booty Killah I am, yeah
Booty Killah
Feel my heart
Booty Killah
I can see in the dark
Sharp Booty Killah, Booty Killah
Booty Killah, Booty Killah, Killah
I'm the Killah in the corner of the bar
Try Booty Killah and you just put me on
I need a freaking soda
