

# Paranoid

Trevor Daniel

[Intro]

Oh, oh  
Whoa, oh  
Oh, oh  
Whoa, oh  
Oh

[Chorus]

No, I can't sleep at night, can't get you off my mind  
And I'm worried that you might, I'm worried that you might  
No, I can't sleep at night, can't get you off my mind  
And I'm worried that you might, I'm worried that you might  
Say you don't love me no more, no reason to come home  
And you're better off if I stay gone, baby, I'm paranoid  
Say you don't love me no more, no reason to come home  
And you're better off if I stay gone, baby, I'm paranoid

[Verse 1]

Tell me everything's alright  
Telling me it's all fine  
But I don't wanna be blindsided  
Just tell me you'll stay by me, ayy  
Ooh, I'm terrified, I, ayy  
Outta-sight don't work this time

[Chorus]

No, I can't sleep at night, can't get you off my mind  
And I'm worried that you might, I'm worried that you might  
No, I can't sleep at night, can't get you off my mind  
And I'm worried that you might, I'm worried that you might  
Say you don't love me no more, no reason to come home  
And you're better off if I stay gone, baby, I'm paranoid  
Say you don't love me no more, no reason to come home  
And you're better off if I stay gone, baby, I'm paranoid

[Verse 2]

Maybe it's all in my head  
Wouldn't be the first time it played tricks on me  
Wouldn't know what to do  
Wouldn't let them see, probably say I didn't need you

I, I, probably say I didn't need you  
I, I, probably say I didn't need you

[Chorus]

No, I can't sleep at night, can't get you off my mind  
And I'm worried that you might, I'm worried that you might  
No, I can't sleep at night, can't get you off my mind  
And I'm worried that you might, I'm worried that you might  
Say you don't love me no more, no reason to come home  
And you're better off if I stay gone, baby, I'm paranoid  
Say you don't love me no more, no reason to come home  
And you're better off if I stay gone, baby, I'm paranoid

[Outro]

Baby, I'm paranoid  
Baby, I'm paranoid  
Yeah, I'm better gone  
Oh, no, no-oh-oh  
Oh, no, oh, I'm paranoid  
Oh, no, no-oh-oh
