Flashlight (Sweet Life Mix)

Hailee Steinfeld

When tomorrow comes
I'll be on my own
Feeling frightened of
The things that I don't know
When tomorrow comes
Tomorrow comes
Tomorrow comesAnd though the road is long
I look up to the sky
And in the dark I foundI stop that I won't flyAnd I sing along
I sing along
And I sing along
I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting meGetting me through the nightKickstart my heart when you shine it in my eyes
Can't lie
It's a sweet lifeI'm stuck in the dark but you're my flashlight
You're getting me
Getting me through the night
'Cause you're my flashlight (flashlight)You're my flashlight (flashlight)
You're my flashlight
Ooh
I see the shadows long
Beneath the mountain top
I'm not afraid
When the rain won't stop
'Cause you light the way
You light the way
You light the way
I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting meGetting me through the night
Kickstart my heart when you shine it in my eyes
Can't lie
It's a sweet life
I'm stuck in the dark but you're my flashlightYou're getting me
Getting me through the night
(Light, light, light, you're my flashlight)
Light, light, you're my flashlight
Light, light, light, light, light, oh
(Light light light you're my flashlight)You're my flash, oh

I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me
Getting me through the night
Kickstart my heart when you shine it in my eyes (shine it in my eyes)
Can't lie
It's a sweet life
I'm stuck in the dark but you're my flashlight (You're my flashlight)
You're getting me
Getting me through the night
'Cause you're my flashlight
'Cause you're my flashlight (flashlight)
You're my flashlight
Ooh ooh
Ooh ooh
Ooh ooh ooh ooh ooh
Ooh oh oh
You're my flashlight
Light, light
You're my flashlight
Light light ye-yeah
Light light light
You're my flashlight
Light light
You're my flashlight
