

# Hate Bein' Sober (feat. 50 Cent & Wiz Khalifa)

## Chief Keef

I just bought a chain cus' I'm glorious  
She can get the thang cus' she's glorious  
Pull up in that thang it look gorgeous  
I'm in California place ain't Florida  
But I'm from Chiraq, there's no order  
Coming out here is like you trying to cross the border  
You better hide your weapon on your badge  
We going put them choppas on your ass  
Stop playing all them games with your little kitty ass  
And I'm just maintain your little bitty ass  
I'm humble with my choppa, Ima spit it fast  
Niggas on that snake shit, I don't get it man  
So my ears and tee, it cost 50 man  
Check out my watch bitch it's 50 bandz  
sit and watch me buy it if I fit it man  
How more is going you just don't get it man  
I just bought a chain cus' I'm glorious  
She can get the thang cus' she's glorious  
Pull up in that thang it look gorgeous  
I'm in California place ain't Florida  
But I'm from Chiraq, there's no order  
Coming out here is like you trying to cross the border  
You better hide your weapon on your badge  
We going put them choppas on your ass
