

Good To Be Alive (Hallelujah)

[Andy Grammer](#)

I've been grinding so long, been trying this BAD WORD(shit) for years
And I got nothing to show, just climbing this rope right here
And if there's a man upstairs, he kept bringing me rain
But I've been sending up prayers and something's changed I think I finally found my hallelujah
I've been waiting for this moment all my life
Now all my dreams are coming true, yeah
I've been waiting for this moment Feels good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Hallelujah, let that bass line move ya, say hey
And it's good to be alive right about now
I was dead in the water, nobody wanted me
I was old news, I went cold as cold could be
But I kept throwing on coal tryna make that fire burn
Sometimes you gotta get scars to get what you deserve
I kept moving on and now I'm moving up
Damn, I'm feeling blessed with all this love I think I finally found my hallelujah
I've been waiting for this moment all my life
Now all my dreams are coming true, yeah
I've been waiting for this moment Feels good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Hallelujah, let that bass line move ya, say hey
And it's good to be alive right about now
I almost can-, cannot handle it
I could get u-, could get used to this
I almost can-, cannot handle it
I could get u-, could get used to this I think I finally found my
(Hallelujah, hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah, hallelujah) Feels good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Hallelujah, let that bass line move ya, say hey
And it's good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
