

WILD

Troye Sivan

Wild, wild, hey! Trying hard not to fall
On the way home
You were trying to wear me down, down
Kissing up on fences and up on walls
On the way home
I guess it's all working out, now 'Cause there's still too long to the weekend
Too long till I drown in your hands
Too long since I've been a fool, oh Leave this blue neighbourhood
Never knew loving could hurt this good, oh
And it drives me wild 'Cause when you look like that
I've never ever wanted to be so bad, oh
It drives me wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild Wild, wild, hey! White noise in my mind
Won't calm down
You're all I think about
Running on the music and night highs
But when the light's out it's me and you now, now 'Cause there's still too long to the weekend
Too long till I drown in your hands
Too long since I've been a fool, oh Leave this blue neighbourhood
Never knew loving could hurt this good, oh
And it drives me wild 'Cause when you look like that
I've never ever wanted to be so bad, oh
It drives me wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild
You're driving me wild, wild, wild You make my heart shake
Bend and break
But I can't turn away
And it's driving me wild
You're driving me wild You make my heart shake
Bend and break
But I can't turn away
And it's driving me wild
You're driving me wild Hey! Leave this blue neighbourhood
Never knew loving could hurt this good, oh
And it drives me wild 'Cause when you look like that
I've never ever wanted to be so bad, oh
It drives me wild You're driving me wild, wild, wild
You're driving me wild, wild, wild

You're driving me wild, wild, wild
You're driving me wild, wild, wildWild, wild, wild, hey!
