

# I Need You to Turn To

[Elton John](#)

You're not a ship to carry my life  
You are nailed to my love in many lonely nights.  
I've strayed from the cottages and found myself here  
For I need your love. Your love protects my fears. And I wonder sometimes, and I know I'm  
unkind,  
But I need you to turn to when I act so blind.  
Oh I need you to turn to when I lose control  
You're my guardian angel who keeps out the cold. Did you paint your smile on when I said I  
knew  
That my reason for living was for loving you  
We're related in feeling, but you're high above  
You're pure and you're gentle, with the grace of a dove.  
And I wonder sometimes, and I know I'm unkind,  
But I need you to turn to when I act so blind.  
Oh I need you to turn to when I lose control  
You're my guardian angel who keeps out the cold.
