

Super Cool (feat. Robyn & The Lonely Island)

Beck

Woo!
Woo!Unbelievable, super cool (Woo!)
Outrageous and amazing
Phenomenal, fantastic, so incredible, woohoo!
Unbelievable, super cool
Outrageous and amazing
Phenomenal, fantastic, so incredible, woohoo!We gotta bring both sides together
Like champagne and leather
Like birds of a feather, we'll fly
Like rain on a sunny day
Like a million dollars that you're giving away
Like a stray dog on a free reign, we'll fly (Whoa)'Cause we're all like a team
Living inside a dream
You and me doing our thing and we'll fly (Oo-oo)
Unbelievable, super cool (Woo!)
Outrageous and amazing
Phenomenal, fantastic, so incredible, woohoo!
Unbelievable, super cool
Outrageous and amazing
Phenomenal, fantastic, so incredible, woohoo!It's the credits! Yeah, that's the best part
When the movie ends and the reading starts
(Woohoo!)
You can keep your adventure and all that action
'Cause the credits of the film are the main attraction
(Woohoo!)
And don't even think about trying to leave
Or you might miss a name
Like Pam and Steve!
Both incredible names,
So let's stay in our seats
And read a credible list of their incredible feats
(Incredible feats)
'Cause we're all like a team
Living inside a dream (Inside the dream)
You and me doing our thing and we'll fly (Oo-oo)Unbelievable, super cool
Outrageous and amazing
Phenomenal, fantastic, so incredible, woohoo!
Unbelievable, super cool
Outrageous and amazing
Phenomenal, fantastic, so incredible, woohoo!And we're back and still loving the credits
Can't wait to see the one about the person who edits
And even better than that is who edits the credits

I bet I'll never forget it, 'cause once I read it, then I read it
I drove to the theater about 90 minutes late
Skip the whole dang movie 'cause the credits are great
Now if you're gonna be featured on a movie song
The credits is the part that you wanna be on Unbelievable, super cool
Outrageous and amazing (Oh)
Phenomenal, fantastic, so incredible, woohoo! Everything is super cool
Right now (Ayy ayy, woo!)
Everything is awesome here
Right now (Ayy ayy, woo!)
Everything is super cool
Right now (Ayy ayy, woo!)
Everything is awesome here
Right now (Ayy ayy, yeah!)
Everything is super cool
Right now (Ayy ayy)
Everything is awesome here
right now (Ayy ayy, woo!)
Everything is super cool
Right now (Ayy ayy, hoo!)
Everything is awesome here
Right now (Ayy ayy)
