

F9mily (You & Me)

Lil Nas X & Travis Barker

[Intro: Travis Barker]

Oh-oh, oh, oh-oh

Oh-oh, oh, oh-oh

[Verse 1: Lil Nas X]

You, and me

Yeah, we gotta fix this family

And I know it's hard

But oh, we at least gotta start

[Chorus: Lil Nas X]

Yeah, you and me, my friend, you best believe

We gotta fix this family, you see

It takes two to get to three, relieved

We're gonna leave here happily

Yeah, you and me, my friend, you best believe

We gotta fix this family, you see

It takes two to get to three, relieved

We're gonna leave here happily

[Verse 2: Lil Nas X]

You (Yes you, yes you) and me (And me)

Yeah we, make pods, we the peas

Now let's go (Let's go, let's go), get knee (Get knee)

Your knee is deep in happy fantasies (Yeah, yeah, yeah, yeah)

[Chorus: Lil Nas X]

Yeah, you and me, my friend, you best believe

We gotta fix this family, you see

It takes two to get to three, relieved

We're gonna leave here happily

Yeah, you and me, my friend, you best believe

We gotta fix this family, you see

It takes two to get to three, relieved

We're gonna leave here happily

[Bridge: Lil Nas X]

You and me, you best believe

-ily, you see

Get to three, relieve

We're gonna leave here happily

[Chorus: Lil Nas X & Travis Barker]

Yeah, you and me, my friend, you best believe

We gotta fix this family, you see

It takes two to get to three, relieved

We're gonna leave here happily

[Outro: Wes Donehower & Lil Nas X]

Oh-oh, oh, oh-oh

Oh-oh, oh, oh-oh

Off beat, off beat

Who's off? Is it me?

I don't think it's you, hold on, hold on
