

Power Love Sound Mind

Matthew West

[Verse 1]

Bryan just got back from overseas
Suffers from PTSD
He's at the VA Hospital in Phoenix
Raven's mom died her senior year
Why did God have to take her away from here
Some days she still can't believe it
Ian's just 8 years old
Way too young to know what the word "anxiety" means
But he told me my song "Strong Enough" helps him through
And Amy's a single mom driving her little girl back and forth
To chemo treatments, she can't afford
Don't know what she's gonna do

[Pre-Chorus]

Everybody, everybody
Got their own impossible to climb
Everybody, everybody
Truth is shouting louder than the lies

[Chorus]

I have not been given a spirit of fear
But of power, love, sound mind, love, sound mind
I don't have to give in to a spirit of fear
I am power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Power, love, sound mind, love, sound mind

[Verse 2]

It seems like we spend most of our lives at the intersection of faith and fear
Which way we go from here will define our destination
But trust is a choice, to say I will not listen to that voice
The one that says you might as well stay down 'cause you're never gonna make it

[Pre-Chorus]

Everybody, everybody
Got their own impossible to climb
Everybody, everybody

Truth is shouting louder than the lie-ie-ies

[Chorus]

I have not been given a spirit of fear
But of power, love, sound mind, love, sound mind
I don't have to give in to a spirit of fear
I am power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Power, love, sound mind, love, sound mind

[Bridge]

You opened the prison doors
You set the captives free
The power that conquered death
Now is alive in me
You opened the prison doors
You set the captives free
The power that conquered death
Now is alive in me

[Chorus]

I have not been given a spirit of fear
But of power, love, sound mind, love, sound mind
I don't have to give in to a spirit of fear
I am power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Power, love, sound mind, love, sound mind...

[Outro]

Woah, oh-oh, ooh, oh-ooh
(I don't have to give in to a spirit of fear)
Power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
(I don't have to give in to a spirit of fear)
Power, love, sound mind, love, sound mind
Woah, oh-oh, ooh, oh-ooh
Oh-oh-oh, oh-ooh
