

# Twisted Logic

## Coldplay

Sunlight, opened up my eyes  
To see for the first time  
You'll open them up  
And tonight, rivers will run dry  
And not for the first time  
Rivers will run Hundreds of years in the future  
It could be computers  
Looking for life on earth Don't fight for the wrong side  
Say what you feel like  
Say how you feel You'll go backwards, but then  
You'll go forwards again  
You'll go backwards, but then  
You'll go  
Created, then drilled and invaded  
If somebody made it  
Someone will mess it up  
And you are not wrong to  
Ask who does this belong to  
It belongs to all of us.
