

Back to December

Taylor Swift

I'm so glad you made time to see me
How's life, tell me how's your family
I haven't seen them in a while You've been good, busier then ever
We small talk, work and the weather
Your guard is up and I know why 'Cause the last time you saw me
Is still burned in the back of your mind
You gave me roses and I left them there to die So this is me swallowing my pride standing in
front of you saying I'm sorry for that night
And I'd go back to December all the time
It turns out freedom ain't nothing but missing you wishing I'd realized what I had when you
were mine
I'd go back to December, turn around and make it all right
I'd go back to December all the time These days I haven't been sleeping
Staying up playing back myself leaving
When your birthday passed and I didn't call
And I think about summer, all the beautiful times
I watched you laughing from the passenger side and
Realized I loved you in the fall
And then the cold came, the dark days when fear crept into my mind You gave me all your love
and all I gave you was goodbye So this is me swallowing my pride standing in front of you
saying I'm sorry for that night
And I'd go back to December all the time
It turns out freedom ain't nothing but missing you wishing I'd realized what I had when you
were mine I'd go back to December, turn around and change my own mind
I'd go back to December all the time I miss your tan skin, your sweet smile, so good to me, so
right
And how you held me in your arms that September night
The first time you ever saw me cry
Maybe this is wishful thinking
Probably mindless dreaming
If we loved again I swear I'd love you right
I'd go back in time and change it but I can't
So if the chain is on your door, I understand
But this is me swallowing my pride standing in front of you saying I'm sorry for that night
And I'd go back to December
It turns out freedom ain't nothing but missing you wishing I'd realized what I had when you
were mine
I'd go back to December, turn around and make it alright
I'd go back to December, turn around and change my own mind
I'd go back to December all the time
All the time
