

# Like People, Like Plastic

## AWOLNATION

La la, la la  
La la, la la  
La la, la la  
La la, la la la  
La la, la la  
La la, la la  
La la, la la  
La la, la la  
La la, la la la

Alright  
Suggesting  
Alone now  
Protesting

There's no one here standing  
No loopholes, no bending  
There's no one here standing  
No loopholes, no bending  
I stand alone and curse at the sky  
I stand alone beside you  
I've never felt so alone in my life  
Baby, I stand alone beside you  
Don't look here, too graphic  
Like people, like plastic  
Don't look here, too graphic  
Like people, like plastic  
So dance in the madness  
Oh Lord did you plan this?  
So dance in the madness  
Oh Lord did you plan this?  
I stand alone and curse at the sky  
I stand alone beside you  
I've never felt so alone in my life  
Baby, I stand alone beside you  
Na na na na  
I stand alone and curse at the sky  
I stand alone beside you  
I've never felt so alone in my life  
Baby, I stand alone beside you  
Burn the bloody house down  
Burn the bloody house down  
Burn the bloody house down

Let's go

Incoming northwest, 15 to 25 miles an hour
