

# Half a Man

Dean Lewis

[Verse 1]

I was wrong to say I loved her, I was wrong to think I'm right  
When I told her it was over, well my darling, I had lied  
I've been running from my demons, afraid to look behind  
I've been running from myself, afraid of what I'd find[Chorus]  
But how am I supposed to love you when I don't love who I am?  
And how can I give you all of me when I'm only half a man?  
'Cause I'm a sinking ship that's burning, so let go of my hand  
Oh, how can I give you all of me when I'm only half a man?[Verse 2]  
And now I'm stuck in this hotel room by a cold neon light  
And I've been waiting for an answer, but it won't come tonight  
And every bottle I had stolen lay shattered on the floor  
What's broken can't be whole anymore

[Chorus]

But how am I supposed to love you when I don't love who I am?  
And how can I give you all of me when I'm only half a man?  
'Cause I'm a sinking ship that's burning, so let go of my hand  
Oh, how can I give you all of me when I'm only half a man?[Bridge]  
And no one can ever hurt me like I've hurt myself  
'Cause I'm made out of stone and I'm beyond help  
Don't give your heart to me[Chorus]

But how am I supposed to love you when I don't love who I am?  
And how can I give you all of me when I'm only half a man?  
'Cause I'm a sinking ship that's burning, so let go of my hand  
Oh, how can I give you all of me when I'm only half a man?

[Outro]
