

Diva (feat. Lil Tecca)

The Kid LAROI

That lil' bitch a diva, fuckin' leave her
My life is a movie directed by Tarantino
Shawty is a dancer, I'm not talking Billie Jean, hoWoah, fuck, we know, I swear, I hate these
hoes

We know shawty is a eater
We know why she wanna see us
We know that she wanna be us
Woah, fuck, we know, I swear, I hate these ho
You know (You know), we know (We know)

Sike, you don't know (You don't)
 Keep it on the low-low (Yeah)
 Told a nigga, "Lay low" ("Lay low")
 7 digits on the payroll (7 on the pay roll)
 Speakin' Guapenese to Guapo (Guap)
 Skrrt off, Tahoe with the tint though (Top, top)
 I don't want no friends, though (At all)
 I don't trust many men (Many men)
 And I got a small circle
 It's me and many bands
 I got a pack and I did it again
 I ain't gon' lie, I ain't go to France
 Yeah, nigga been busy, I didn't get a chance (Chance)
 Glizzy finna hit him, make a nigga dance (Dance)
 And shawty, she a diva, she a diva (Diva)
 Got stripes like a cheetah, like art, Mona Lisa
 And we shootin' a movie, that's my life like a teacher
 Never lie, don't mean to preach her
 They talk, don't believe them
 That lil' bitch a diva, fuckin' leave her
 My life is a movie directed by Tarantino
 Shawty is a dancer, I'm not talking Billie Jean, ho
 Woah, fuck, we know, I swear, I hate these hoes

We know shawty is a eater
We know why she wanna see us
We know that she wanna be us
Woah, fuck, we know, I swear, I hate these hoes Big choppas goin' crazy
Gettin' money, but it don't faze me
And I got your bitch wanna face me
She been a dub lately
Shit changed, but it ain't change me
I show up to the show and they pay me
Gettin' drip, I might skrrt to the Macy's
Countin' records, a nigga get lazy

"Band man, band man", yeah, that's what they call me
23 should be all on my back the way I be ballin'
All these signs on me, well nigga I ain't want it
Lowkey, yeah, I want it
Your bitch, yeah, she want it
That lil' bitch a diva, fuckin' leave her
My life is a movie directed by Tarantino
Shawty is a dancer, I'm not talking Billie Jean, ho
Woah, fuck, we know, I swear, I hate these hoes
We know shawty is a eater
We know why she wanna see us
We know that she wanna be us
Woah, fuck, we know, I swear, I hate these hoes
