

# More Than Friends (feat. Meghan Trainor)

Jason Mraz

It feels like we've been friends forever  
And we always see eye to eye  
The more time we spent together  
The more I wanna say what's on my mind Take it easy  
Cuz it ain't easy to say  
I wanna be more than friends  
I wanna be more than friends  
I wanna tell everyone you're taken  
And take your hand until the end  
I wanna be more than friends  
At the risk of sounding foolish  
I don't wanna fool around no more  
If we're gonna do this then let's do this  
You can fix my broken heart  
If it's all yours So take it easy  
Cuz it ain't easy to say  
I wanna be more than friends  
I wanna be more than friends  
I wanna tell everyone you're taken  
And take your hand until the end  
I wanna be more than friends I'm asking you to be my baby  
I'm giving you my heart don't break it  
I'm crushing and I'm going crazy  
Either way I know we'll make it  
Take it easy  
It ain't easy to say  
Take it easy  
It ain't easy to say  
I wanna be more than friends  
I wanna be more than friends  
I wanna tell everyone you're taken  
And take your hand until the end  
I wanna be more than friends I'm asking you to be my baby (asking you to be my baby)  
I'm giving you my heart,  
don't break it (giving you my heart, don't break it)  
I'm crushing and I'm going crazy  
Either way I know we'll make it  
I know, i know, i know
