

Same Mistakes

One Direction

Circles, we're going in circles
Dizzy's all it makes us
We know where it takes us
We've been before Closer, maybe looking closer
There's more to discover
Find out what went wrong
Without blaming each other Think that we got more time
When we're falling behind
Gotta make up our minds Or else we'll play, play, play all the same old games
And we wait, wait, wait for the end to change
And we take, take, take it for granted that we'll be the same
But we're making all the same mistakes
Wake up, we both need to wake up
Maybe if we face up to this
We can make it through this Closer, maybe we'll be closer
Stronger than we were before, yeah
Make this something more, yeah Think that we got more time
When we're falling behind
Gotta make up our minds Or else we'll play, play, play all the same old games
And we wait, wait, wait for the end to change
And we take, take, take it for granted that we'll be the same
But we're making all the same mistakes Yeah, yeah, that's what crazy is
When it's broken, you say there's nothing to fix
And you pray, pray, pray that everything will be okay
While you're making all the same mistakes
Don't look back
But if we don't look back
We're only learning then
How to make all same mis-, same mistakes again So we play, play, play all the same old games
(Same mistakes)
And we wait, wait, wait for the end to change (When nothing's gonna change)
And we take, take, take it for granted that we'll be the same (Well nothing's gonna be the same)
But we're making all the same mistakes Yeah, yeah, that's what crazy is (Crazy is)
When it's broken, you say there's nothing to fix There's nothing to fix)
And you pray, pray, pray that everything will be okay (Everything will be okay)
While you're making all the same mistakes
