

# Souvenir

Avril Lavigne

[Intro]

Yeah yeah, yeah yeah

Yeah yeah, yeah yeah, yeah yeah

Yeah yeah, yeah yeah

Yeah yeah, yeah yeah, yeah yeah[Verse 1]

Say, say what you want, just don't say that you're leaving

I hope this summer breeze will last more than a season

Will you write to me? In time, we'll see

Maybe spend your whole life with me

We've packed our suitcases, we've shut up all the windows

Hold tight, soon you and I flow anywhere the wind blows

So make life to me, hold tight to me

Stay awake the whole night with me

[Chorus]

Can I keep you as a souvenir?

Can I take your shirt to dry my tears?

Can I meet you here this time next year?

Can I keep you as a souvenir?

We could take a chance and disappear

We could runaway, get out of here

Can I keep you as a souvenir?

Wish you were here[Verse 2]

I taste salt in the air and in your sweater that I sleep in

I dream of us riding bikes at sunset by the ocean

Those were giddy days, lazy days

Sipping rosé, time to waste (Sipping rosé, time to waste)

[Chorus]

Can I keep you as a souvenir?

Can I take your shirt to dry my tears?

Can I meet you here this time next year?

Can I keep you as a souvenir?

We could take a chance and disappear

We could runaway, get out of here

Can I keep you as a souvenir?

Wish you were here[Post-Chorus]

Yeah yeah, yeah yeah

Yeah yeah, yeah yeah, yeah yeah

Souve-souvenir

Yeah yeah, yeah yeah

Yeah yeah, yeah yeah, yeah yeah[Bridge]

And if I leave here, you're comin' with me

If you leave here, I'm goin' with you[Chorus]

Can I keep you as a souvenir?  
Can I take your shirt to dry my tears?  
Can I meet you here this time next year?  
Can I keep you as a souvenir?  
We could take a chance and disappear  
We could runaway, get out of here  
Can I keep you as a souvenir?  
Wish you were here
