

Them Stems

Chris Stapleton

[Chorus]

This morning I smoked them stems
Yeah, that's the kinda shape I'm in
I'm in a bad, bad way again
'Cause this morning I smoked them stems

[Verse 1]

My dealer, he's been out of town
And that's really got me down
I hope he ain't up in the pen again
'Cause this morning I smoked them stems

[Chorus]

This morning I smoked them stems
Yeah, that's the kinda shape I'm in
I'm in a bad, bad way again
'Cause this morning I smoked them stems

[Verse 2]

My baby, she done said goodbye
And all I ever do is cry
There ain't nothing round the house now to make me grin
'Cause this morning I smoked them stems

[Chorus]

This morning I smoked them stems
Yeah, that's the kinda shape I'm in
I'm in a bad, bad way again
'Cause this morning I smoked them stems

[Verse 3]

I called up this buddy of mine
'Cause we always had a real good time
I was hoping I could bum a toke off of him
But this morning he smoked them stems

[Chorus]

This morning I smoked them stems
Yeah, that's the kinda shape I'm in
I'm in a bad, bad way again

'Cause this morning I smoked them stems
