

Someday

Mariah Carey

Umm

Aha, umm umm

Ooo, hey, hey

Wao, wao, hey, yeahHey, hey, hey, hey

Yeah

You were so blind to let me go

You had it all but did not knowNo one you'll ever find will be

Closer to all your dreams than me

Believing the grass would be greener

You told yourself, "I just don't need her now"

But I know you'll soon discover

You're never satisfied with any other

Someday, oh, someday

One you gave away will be the only one you're wishing forSomeday, hey, hey

Boy, you're gonna pay 'cause baby I'm the one who's keeping score

You'll change your mind and call my name

Soon as you find they're all the same

And when you find yourself alone

Don't come back crying, you should have knownBelieve me, I'm not pretending

It's not hard to predict this ending now'Cause I know you'll soon discover

You're needing me inspite of all the others

Someday, oh, someday

One you gave away will be the only one you're wishing for

Someday, hey, hey

Boy, you're gonna pay 'cause baby I'm the one who's keeping score

Someday, oh, someday

One you gave away will be the only one you're wishing for

Someday, hey, hey

Boy, you're gonna pay 'cause baby I'm the one who's keeping score

Maybe now you just can't conceiveThat there'll ever come a time when you're cold and lonely

Baby, how could you ever believeThat another could replace me, the one and only?

But when you are down in your time of need

And you're thinking that you might be coming back to own me

Just think again 'cause I won't need your love anymore

Someday, oh, someday

One you gave away will be the only one you're wishing for

Someday, hey, hey

Boy, you're gonna pay 'cause baby I'm the one who's keeping score

Someday, oh, someday

One you gave away will be the only one you're wishing for

Someday, hey, hey

Boy, you're gonna pay 'cause baby I'm the one who's keeping score

Someday, oh, someday
One you gave away will be the only one you're wishing for
Someday, hey, hey
Boy, you're gonna pay 'cause baby I'm the one who's keeping score
Someday, oh, someday
