

# Under Control (feat. Hurts)

Alesso & Calvin Harris

I might be anyone  
A lone fool out in the sun  
Your heartbeat of solid gold  
I love you, you'll never know When the daylight comes, you feel so cold  
You know  
I'm too afraid of my heart to let you go Waiting for the fire to light  
Feeling like we could do right  
Be the one that makes tonight  
'Cause freedom is a lonely road  
We're under control  
We're under control I might be anyone  
A lone fool out in the sun  
Your heartbeat of solid gold  
I love you, you'll never know When the daylight comes, you feel so cold  
You know  
I'm too afraid of my heart to let you go Waiting for the fire to light  
Feeling like we could do right  
Be the one that makes tonight  
'Cause freedom is a lonely road  
We're under control  
Waiting for the fire to light  
Feeling like we could do right  
Be the one that makes tonight  
'Cause freedom is a lonely road  
We're under control We're under control
