

The Hardest Part

Coldplay

[Verse 1]

And the hardest part
Was letting go not taking part
Was the hardest part
And the strangest thing
Was waiting for that bell to ring
It was the strangest start

[Hook]

I could feel it go down
Bittersweet I could taste in my mouth
Silver lining the clouds
Oh and I...
I wish that I could work it out

[Verse 2]

And the hardest part
Was letting go not taking part
You really broke my heart, oh
And I tried to sing
But I couldn't think of anything
And that was the hardest part, oh, oh

[Hook]

I can feel it go down
You left the sweetest taste in my mouth
You're a silver lining the clouds
Oh and I...
Oh and I...
I wonder what it's all about

I wonder what it's all about

[Verse 3]

Everything I know is wrong
Everything I do, it just comes undone
And everything is torn apart
Oh and that's the hardest part
That's the hardest part
Yeah that's the hardest part

That's the hardest part
