

# I Can't Lie

## Maroon 5

I must have been a fool  
to love you so hard for so long  
So much stronger than before  
But so much harder to move on And now the bitter chill of the winter  
Still blows through me like a plague  
Only to wake up with an empty bed  
On a perfect summer day uh uh uuuh  
My world just feels so cold  
And you find yourself Walking down the wrong side of the road  
I can't lie, you're on my mind  
Stuck inside my head  
I wanna feel your heart beat for me instead  
yeah  
I just die so much inside  
Now that you're not there  
I wanna feel your heartbeat like  
yesterday I never did my best to  
Express how I really felt  
And now that I know exactly what I want You found somebody else  
aauh  
My world just feels so cold  
And you find yourself  
Walking on the wrong side of the road  
I can't lie, you're on my mind Stuck inside my head  
I wanna feel your heart beat for me instead  
yeah  
I just die so much inside  
Now that you're not there  
I wanna feel your heart beat like yesterday  
uuuuh  
My world just feels so cold  
And I find myself  
Thinking about the things I could have done  
And it warms my soul  
When you let me know  
I'm not the only one  
I can't lie, you're on my mind  
Stuck inside my head  
I wanna feel your heart beat for  
me instead  
yeah  
I just die so much inside

Now that you're not there  
I wanna feel your heart beat like yesterday...I can't lie, you're on my mind  
Stuck inside my head  
I wanna feel your heart beat for  
me instead  
yeah  
I just die so much inside  
Now that you're not there  
I wanna feel your heart beat like yesterday...I can't lie you're on my mind  
Stuck inside my head  
I wanna feel your heart beat for  
me instead  
yeah  
I just die so much inside  
Now that you're not there  
I wanna feel your heart beat like yesterday...
