

If I Ain't Got You

Jay Sean

It doesn't matter if I ain't got you, Hey pretty baby, you got me going crazy
I'm down when I ain't got you
Cause baby girl you do it for me
Won't you put it on me
I love the little things you do So you can spend all you wanna,
Dolce and Gabbana
I would buy the world for you So I break it down
If your not around
It doesn't matter if I ain't got you
All the diamonds and the pearls
And the money in the world means nothing
And all the watches and the rings
And all the shiny things
Means nothing if I ain't got you If I ain't got you you Yo, I had a villa in Manila
A home in Rome
Didn't matter cause I didn't have you
Had an apartment in the sky
Summers in Dubai
Didn't matter cause I didn't have you I used to spend all I wanted
Dolce and Gabbana
But I would trade it all for you
Together had it all
But now that you my all
No that nothing matters without you
All the diamonds and the pearls
And the money in the world means nothing
And all the watches and the rings
And all the shiny things
Means nothing if I ain't got you If I ain't got you you Watch sites without you
A house with you
They don't mean nothing if I'm without you it's true
Nothing it matters
Girl more than you do
And my love feels brand new
Every minute every time that your with me
No that time girl I hope that you still be
Cause all I need in this world is you and me Cause baby All the diamonds and the pearls
And the money in the world means nothing
And all the watches and the rings
And all the shiny things
Means nothing if I ain't got you If I ain't got you you If I ain't got you then I ain't got nothing
Said I ain't got nothing

So hush little baby don't say a thing
Daddy's gonna buy you a diamond ring
And if that diamond ring don't shine
Then daddy's gonna buy you the whole damn bind.
