

Tangled

Maroon 5

I'm full of regret
For all the things that I have done and said
And I don't know if it'll ever be ok to show
My face around here
Sometimes I wonder if I disappear Would you ever turn your head and look
See if I'm gone
Cause I fear
There is nothing left to say To you, that you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful
You're just an innocent
A helpless victim of a spider's web
And I'm an insect
Going after anything that I can get So you better turn your head and run
and don't look back
Cause I fear there is nothing left to say To you, that you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful And I've done you so wrong
Treated you bad
Strung you along
Oh, shame on myself
I don't know how I got so tangled up
You better turn your head and look
See if I'm gone
Cause I fear
There is nothing left to say To you, that you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful And I've done you so wrong
Treated you bad
Strung you along
Oh, shame on myself
I don't know how I got so tangled up
And I've done you so wrong
Treated you bad
Strung you along
Oh, shame on myself
I don't know how I got so tangled up
