Ballin' with my team, I don't ball hog, hey, hey
Cash on your friend if she cock block, ayy, ayy

Niggas servin' ki's, daily
Run it up, stop callin'
Run up you some bands, nigga stop callin'
I just wrapped some birds, nigga stop the callin'
Servin' out the van at that corner store
Catch me whippin' up the bands, money callin'
Run it up, run it up, run it up
It'll go up and down like push ups
Ten thou' in each pot
