

# Look What I Did

Quentin Miller

[Hook]

Miss me with that, with that high school shit  
With that high school shit  
Nigga look what I did, I don't gotta prove shit, I don't gotta prove shit  
Nigga look at my bitch  
I don't have to pay her bills, she already hood rich  
Nigga look how I live, look how I live

[Verse]

Look how I, look how I live... Brown liquor in the fridge...  
Some things you just won't understand...  
Time Warner, I got hoes on demand  
Comcast, I got hoes on demand  
What does that say about me as a man?  
Okay, too caught up, two daughters  
Hope they never fall in love with a guy like I am  
Couldn't settle for the place I was placed inside of  
Had to come up out it  
I was too unhappy, had to do something 'bout it  
You can't do nothing 'bout it  
Everybody, but you going off in your project  
And you call it your comeback, fuck that  
Niggas caught me slippin' once  
Now I'm looking out on all fronts  
I'm really up there with 'em  
I'm not a little guy, ask Ty Ty, that's a big name drop  
I only met him a couple times, but them discussions was pretty clear  
I got different peers, rappers come and go  
We see 'em dissappear  
It's not a race, it's a marathon  
Just give it a year or something  
Let me get the game figured out  
Come at these niggas brains when I drop  
Woah!

[Hook]

Miss me with that, with that high school shit  
With that high score shit  
Nigga look what I did, I don't gotta prove shit, I don't gotta prove shit  
Nigga look at my bitch

I don't have to pay her bills, she already hood rich  
Nigga look how I live, look how I live
