## disco tits

## **Tove Lo**

I say hi, you say hi We stay high You look so pretty, yeahI'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to go I'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to goNo, I don't, I don't have a type Take a hit Come on over tonight Take a hit You can follow my bloodstream No, I don't have a type Live right now, peakin' on top So wild now, I'm high as fuck Don't look down My mind, you can relax I know how to dial it back Not this timeI say hi, you say hi We stay high You look so pretty, yeahI'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to go I'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to go No, I don't, I don't have a type Take a hit Come on over tonight Take a hit You can follow my bloodstream No, I don't have a typeLive right now, peakin' on top So wild now, I'm high as fuck Don't look down My mind, you can relax I know how to dial it back Not this timeI say hi, you say hi We stay high

You look so pretty, yeahI'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to go I'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to goYou think I'm drunk now, but I am not You're so pretty, come roll with me I'm 'bout to get down, I'm high as fuck I'm no chemist, but it's good shitI'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to go I'm sweatin' from head to toe I'm wet through all my clothes I'm fully charged, nipples are hard Ready to goI say hi, you say hi We stay high You look so pretty, yeah Got good shit, what is it? No chemist, still want that magic, yeah I say hi, you say hi We stay high You look so pretty, yeah Got good shit, what is it? No chemist, still want that magic, yeah Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
