

The Chain

Ingrid Michaelson

[Intro]

Oh oh ooh oh ooh oh

[Verse 1]

The sky looks pissed
The wind talks back
My bones are shifting in my skin
And you my love are gone

My room feels wrong
The bed won't fit
I cannot seem to operate
And you my love are gone

[Chorus]

So glide away on soapy heels
And promise not to promise anymore
And if you come around again
Then I will take, then I will take the chain from off the door

[Verse 2]

I'll never say that I'll never love
But I don't say a lot of things
And you my love are gone

[Chorus]

So glide away on soapy heels
And promise not to promise anymore
And if you come around again
Then I will take, then I will take the chain from off the door
So glide away on soapy heels
And promise not to promise anymore
And if you come around again
Then I will take, then I will take the chain from off the door
So glide away on soapy heels
And promise not to promise anymore
And if you come around again
Then I will take, then I will take the chain from off the door
So glide away on soapy heels
And promise not to promise anymore

And if you come around again
Then I will take, then I will take the chain from off the door
So glide away on soapy heels
And promise not to promise anymore
And if you come around again
Then I will take, then I will take, then I will take the chain from off the door
