

# Thieves In the Temple

## Prince

Love come quick  
Love come in a hurry  
There's thieves in the temple tonight  
They don't care where they kick  
Just as long as they hurt you  
They're thieves in the temple tonight Love, if you're there come save me  
From all this cold despair  
I can hang when you're around  
But I should die if you're not there Love come quick  
Love come in a hurry  
They're thieves in the temple tonight Feel like I'm looking for my soul  
Like a poor man looking for gold  
They're thieves in the temple tonight  
Voices from the sky say  
Rely on your best friend to pull you through  
Even if I wanted to  
I couldn't really truly  
Because my only friend is you Ooh ooh ooh ooohh  
Come on They're thieves in the temple tonight  
Kicking me in my heart  
Tearing me, tearing me, tearing me, tearing me all apart  
Because me and you could've been a work of art  
Thieves in the temple Baby don't you know I'm holding on the best that I can  
Love please help me be a better man  
Better than the thieves in the temple tonight, in the temple tonight  
Thieves in the temple tonight (hurt me)  
Love come quick  
Love come in a hurry  
They're thieves in the temple tonight  
Thieves in the temple ohhh  
"You said you loved me!"  
(Thieves in the temple)  
"You said I was your man!"  
(Thieves in the temple)  
(Love come quick)  
"But they were lies! Lies!"  
(Love come in a hurry)  
Thieves in the temple tonight  
"Ahhhhh!"
