

# Be Alright

Justin Bieber

Ooh, ooh  
Across the ocean, across the sea  
Starting to forget the way you look at me now  
Over the mountains, across the sky  
Need to see your face I need to look in your eyes  
Through the storm and through the clouds  
Bumps in the road and upside down now  
I know it's hard babe, to sleep at night  
Don't you worry, 'Cause everything's gonna be alright ai-ai-ai-aight  
Be alright ai-ai-ai-aight Through the sorrow a  
And the fights  
Don't you worry 'Cause everything's gonna be alright ai-ai-ai-aight  
Be alright ai-ai-ai-aight  
All alone, in my room  
Waiting for your phone call to come soon  
Anf for you, oh, I would walk a thousand miles  
To be in your arms, holding my heart  
Oh I,  
Oh I,  
I love you  
And everything's gonna be alright ai-ai-ai-aight  
Be alright ai-ai-ai-aight  
Through the long nights  
And the bright lights  
Don't you worry,  
'Cause everything's gonna be alright ai-ai-ai-aight  
Be alright ai-ai-ai-aight  
You know that I care for you,  
I'll always be there for you  
I promise I'll just stay right here, yeah  
I know that you want me to,  
Baby we can make it through, anything  
'Cause everything's gonna be alright ai-aight  
Be alright, ai-aight  
Through the sorrow and the fights  
Don't you worry, cause everything's gonna be alright ai-aight  
Be alright, ai-aight  
Through the sorrow and the fights  
Don't you worry, cause everything's gonna be alright
