

# Your Love Is a Song

## Switchfoot

Yeah.  
I hear you breathing in  
Another day beginsThe stars are falling out  
My dreams are fading now, fading outI've been keeping my eyes wide open  
I've been keeping my eyes wide openYeah. Ooh, your love is a symphony  
All around me  
Running through me  
Ooh, your love is a melody  
Underneath me  
Running to meOh, your love is a songThe dawn is fire bright  
Against the city lights  
The clouds are glowing now  
The moon is blacking out, its blacking outI've been keeping my mind wide open  
I've been keeping my mind wide openOoh, your love is a symphony  
All around me  
Running through meOoh, your love is a melody  
Underneath me  
Running to meOh, your love is a song  
Your love is a song  
Oh, your love is a song  
Your love is a songWith my eyes wide open  
I've got my eyes wide open  
I've been keeping my hopes unbroken  
Yeah, yeah  
Ooh, your love is a symphony  
All around me  
Running through meOoh, your love is my melody  
Underneath me  
Running to meOh, your love is a song, yeah, yeah  
Your love is my remedy  
Oh, your love is a song
