With Every Heartbeat (With Kleerup)

Robyn

Maybe we could make it all right
We could make it better sometimeMaybe we could make it happen, baby
We could keep trying
But things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look backJust a little, little bit better
Just a little, little bit better
Good enough to waste some time
Tell me would it make you happy, baby
We could keep trying
But things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look backWe could keep trying
But things will never change
So I don't look back
Still I'm dying with every step I take
But I don't look back
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
