

# Suga Mama

## Fifth Harmony

Boy you know that I want it  
I can tell you want me as your lady  
Can't deny that you're sexy  
So what's it gon' be Is you gon' get a job  
And make some of that green  
You tryna take me out  
But you can't pay for me  
I guess I got the cash  
I'll take one for the team  
Baby can't you see (woah-oh, oh)  
Ohh Ohh  
I won't ask you to go But I can't be your suga mama  
Your suga mama baby  
I can't be your suga mama  
I said I said I can't be your suga mama  
Your suga mama  
(Mmhmm Mmhmm) I can't be your suga mama  
Your suga mama baby  
I can't be your suga mama And even though I love the thought of you  
No I can't be your... I can't be your.

But how you pay for food My daddy said "no"
