Release

The

Attack

the floor

and work

it low

(HOLLY FUCK)

and they

mad

'cause I'm hot

and they wish

they was

they be hatin

on

my

name

but my piece

they love

and they

'cause I'm hot

and they wish

they was

they be hatin

on

my

name

but my piece

Spread your legs

watch your back

go up and down

and make it clap

Spread your legs

watch your back

go up and down

and make it clap

Spread your legs

Now

watch

your back

Go up

and

down

and

make it

CLAP!

Spread your legs
Now
watch
your back
Go up
and
down
and
make it
CLAP!

Spread your legs
Now
watch
your back
Go up
and
down
and
make it
CLAP!

Spread your legs
Now
watch
your back
Go up
and
down
and
make it
CLAP!
