

Snakes

Bastille

Ooh, I'm not ready
Ooh, I'm not ready
Ooh, I'm not ready
Ooh, I'm not ready Snakes are biting at my heels
The worries that refuse to let us go
I've been kicking them away
Been hoping not to let them take control Ooh, I'm not ready
Drink to escape their bites
Show me distraction
Even for just one night
Cause it's easier to bury
My head in the sand sometimes
Yes, it's easier to bury
My head in the sand sometimes
And I know, I know, I know
It's not the right way to go
But I pray for the ground to swallow me whole Ooh, I'm not ready
Ooh, I'm not ready Now these days are feeling dark
We're struggling to figure out last year
When the woman on the news
Keeps saying things that no one wants to hear Ooh, I'm not ready
Drink to escape our minds
Show me distraction
Even for just one night
Cause it's easier to bury
My head in the sand sometimes
Yes, it's easier to bury
My head in the sand sometimes
And I know, I know, I know
It's not the right way to go
But I pray for the ground to swallow me whole
Yes, I pray for the ground to swallow me whole Ooh, I'm not ready
Ooh, I'm not ready Come on, boys. Let's go tear this place apart! (Cause I know, cause I know,
cause I know
Life is simple when
I can just ignore it all
Cause I know, cause I know, cause I know
Life is simple when
I can just ignore it all
Cause I know, cause I know, cause I know...) If I'm not ready
Snakes will consume me whole
If I'm not steady

Maybe they'll take control
But it's easier to bury
My head in the sand sometimes
Yes, it's easier to bury
My head in the sand sometimes
I know, I know, I know
It's not the right way to go
But I pray for the ground to swallow me whole
Yes, I know, I know, I know
It's not the right way to go
But I pray for the ground to swallow me whole
