

# Back Home Again

John Denver

There's a storm across the valley  
Clouds are rolling in  
The afternoon is heavy  
On your shoulders  
There's a truck out on the four lane  
A mile or more away  
The whining of his wheels  
Just makes it colder  
He's an hour away from riding  
On your prayers up in the sky  
And ten days on the road  
Are barely gone  
There's a fire softly burning  
Supper's on the stove  
It's the light in your eyes  
That makes him warm  
Hey it's good to be back home again  
Sometimes this old farm  
Feels like a long lost friend  
Yes, and hey it's good to be back home again  
There's all the news to tell him  
How you've spent your time  
What's the latest thing the neighbors say  
And your mother called last Friday  
Sunshine made her cry  
You felt the baby move just yesterday  
Hey it's good to be back home again  
Yes it is  
Sometimes this old farm  
Feels like a long lost friend  
Yes, and hey it's good to be back home again  
And all the time that I can lay this tired old body down  
To feel your fingers feather soft upon me  
The kisses that I live for  
The love that lights my way  
The happiness that living with you brings me  
It's the sweetest thing i know of  
Just spending time with you  
It's the little things that make a house a home  
Like a fire softly burning, supper on the stove  
It's the light in your eyes that makes me warm  
Hey it's good to be back home again  
Sometimes this old farm  
Feels like a long lost friend  
Yes, and hey it's good to be back home again  
Hey it's good to be back home again  
You know it is  
Sometimes this old farm

Feels like a long lost friend  
Hey it's good to be back home again  
I said hey it's good to be back home again...
