

Name On It

SHAED

Standing over there
Ripping out my hair
Want it from across the room
Take me down to your tomb Get your name on it
It's seven o'clock in the morning
Get, get, get your name on it But I doubt it
Doubt it
I doubt it
Doubt it
I doubt it
Doubt it
Oooo Gotta get your name on it
Why are you afraid of it?
Turning me around
Put me in the ground
I ain't the boss of you
I'll do what you tell me to Get your name on it
It's seven o'clock in the morning
Get your name on it
But I doubt it
Doubt it
I doubt it
Doubt it
I doubt it
Doubt it
Oooo Gotta get your name on it
So why the fuck are you afraid of it?
