

# Rather Be (feat. Jess Glynne) [Jack LNDN Remix]

## Clean Bandit

Oh  
We're a thousand miles from comfort, we have traveled land and sea  
But as long as you are with me, there's no place I'd rather be  
I would wait forever, exalted in the scene  
As long as I am with you, my heart continues to beat With every step we take, Kyoto to The Bay  
Strolling so casually  
We're different and the same, gave you another name  
Switch up the batteries If you gave me a chance I would take it  
It's a shot in the dark but I'll make it  
Know with all of your heart, you can't shame me  
When I am with you, there's no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
Ooh ooh  
We staked out on a mission to find our inner peace  
Make it everlasting so nothing's incomplete  
It's easy being with you, sacred simplicity  
As long as we're together, there's no place I'd rather be With every step we take, Kyoto to The  
Bay  
Strolling so casually  
We're different and the same, gave you another name  
Switch up the batteries If you gave me a chance I would take it  
It's a shot in the dark but I'll make it  
Know with all of your heart, you can't shame me  
When I am with you, there's no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be When I am with you, there's no place I'd rather be (Yeah)  
Hoo  
(Be)  
Yeah-e-yeah-e-yeah-e-yeah-e-yeah, yeah, yeah If you gave me a chance I would take it  
It's a shot in the dark but I'll make it  
Know with all of your heart, you can't shame me  
When I am with you, there's no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
N-n-n-no, no, no, no place I'd rather be  
When I am with you, there's no place I'd rather be
